## Re: Metered Appliances

To Whom It May Concern:

I have had the pleasure of working with Metered Appliances at 1001 Fifth Avenue, New York for the past 20+years and just recently renewed our lease.

Metered Appliances installed all new state of the art equipment, and upgraded our facility to allow for a greater laundry room experience.

Their service is superb and they are flexible with their contracts. I would not hesitate to recommend Metered Appliances to my fellow managers.

If you have any questions, please feel free to call me.

Sincerely,

Neil Rappaport
